

**GRANT OPPORTUNITIES**  
**OFFICE OF YOUTH SERVICES, DEPARTMENT OF COMMUNITY & HUMAN SERVICES**  
**5 July 2016**

**EDUCATION**

**Grant:** Pre-College Education Programs

**Purpose:** To support programs that take advantage of new technology to bring Japanese and American teachers and students together; help build human networks among teachers on both sides of the Pacific with a mutual interest in teaching and learning about Japan, the U.S., and U.S.-Japan relations (particularly in the fields of social studies and Japanese language instruction); and invest in regions in both countries that have been underserved in terms of exposure to and resources for learning about the other country. In addition, support is provided for programs that enlist the expertise at institutions of higher learning and other NGOs in support of U.S.-Japan studies programs at the elementary, middle, and high school levels in both countries; present the products of research and policy studies and media programs on U.S.-Japan issues to an audience of pre-college students and their teachers; and work to enhance, expand, and preserve the study of the Japanese language at the pre-college level in the United States through teacher professional development opportunities, national standards, and performance assessments.

**Funder:** U.S. – Japan Foundation

**Eligibility:** Not specified

**Deadline:** Letters of Intent must be received by July 15. Upon review, selected applicants will be invited to submit a full proposal by August 31

**Amount:** Not specified

**Contact:** <http://us-jf.org/guidelines/application-process/>

**Grant:** Economic Education and At-Risk Student Youth Support

**Purpose:** To support proposals and projects with national impact that raise various public's participation in economic education and/or create a demand for greater economic literacy; apply new strategies for teaching economics including on-line and web-based instruction; encourage measurement of economic understanding more often and/or more effectively, and help otherwise disenfranchised youth and/or young adults with children learn to participate in the economic system

**Funder:** The Calvin K. Kazanjian Foundation

**Eligibility:** 501(c)(3) organizations

**Contact:** <http://www.grants.gov/custom/viewOppDetails.jsp?oppId=284837>

**Grant:** Pediatric Healthcare, Nutrition and Development Research

**Purpose:** To support nutrition and/or health-related research having a significant impact on issues facing infants and young children from the first year before birth to age 3. Of particular interest are fresh approaches to solving newborn or pediatric problems or emerging issues with a predictable time frame to clinical application. Projects should be focused on issues faced by care providers that, when implemented, will improve the health, nutrition and/or developmental outcomes for infants and young children.

**Funder:** The Gerber Foundation

**Eligibility:** 501(c)(3) organizations

**Deadline:** Concept papers due December 1

**Amount:** Up to \$350,000

**Contact:** <http://www.gerberfoundation.org/pd-research/research-awards/application-process>

## COMMUNITY

**Grant:** Local Action Grants

**Purpose:** To promote the involvement of emergency medicine residents in community service and other activities that support the specialty of emergency medicine by supporting a project designed to improve community health through education, direct service, or a preventive program (e.g., developing a local bicycle helmet education program); that supports the specialty of emergency medicine through community awareness, advocacy of local and state medical societies, and/or involvement with local and state government;

and that improves opportunities for resident education and interaction at the residency, state, or regional level (e.g., travel honorariums for speakers or the development of a regional EM resident conference).

**Funder:** Emergency Medicine Residents' Association

**Eligibility:** Any EMRA member (medical student, resident, fellow) or emergency medicine interest group whose principal applicant is an EMRA member is eligible to apply.

**Deadline:** July 15

**Amount:** One grant of \$1,000

**Contact:** <https://www.emra.org/content.aspx?id=177>

**Purpose:** Quality of Life Grants

**Funder:** To support a wide array of programs that are organized in three key thematic areas – Actively Achieving (opportunities to participate in activities that engage their bodies and minds); Bridging Barriers (projects that address and offer solutions to barriers for independent living across the disability community); and Caring and Coping (projects that provide services that address the complex day-to-day health and personal issues for individuals living with disabilities and their families and caregivers)

**Eligibility:** 501(c)(3)

**Deadline:** August 15

**Amount:** Not specified

**Contact:** <https://www.christopherreeve.org/get-support/grants-for-non-profits/program-overview>

**Grant:** Litigation to Advance Social Justice

**Purpose:** To support of public interest litigation that has the potential to benefit a large number of people, lead to significant law reform, and raise public consciousness of social justice issues. Preference is given to civil/human rights, anti-poverty, and environmental justice cases involving a marginalized group. Most grants are for class actions, but the fund also supports multi-plaintiff and environmental justice cases aimed at affecting a larger system.

**Funder:** Impact Fund

**Eligibility:** Private attorneys, small legal firms, and nonprofit legal entities that do not have sufficient access to funding sources. Grants are intended to support cases that could not be effectively prosecuted and/or in which the applicant would experience financial hardship if supplementary funding were not available. Grants may cover reasonable costs and out-of-pocket expenses (including non-recoverable costs) such as deposition expenses, expert fees, and investigation expenses but not attorney's fees, staff, or other overhead costs.

**Deadline:** Letters of Interest are due July 19; applications are due August 16

**Amount:** Up to \$25,000

**Contact:** <http://www.impactfund.org/legal-grants/application-requirements>

**Grant:** Optimizing Cost-of-Care Conversation Between Clinicians and Vulnerable Patients Studies

**Purpose:** To fund studies that test/examine/identify specific messages, best practices, and other principles to be incorporated in resources for improving the frequency and quality of cost-of-care conversations between clinicians and vulnerable patients. Funded studies will focus on testing a diverse range of approaches with diverse populations, which the goal of informing the development of tools, guides, and resources aimed at improving patient and clinician communication with respect to costs and high-value care.

**Funder:** Robert Wood Johnson Foundation

**Eligibility:** Preference will be given to applicants that are either public entities or nonprofit organizations that are tax-exempt under Section 501(c)(3) of the Internal Revenue Code and are not private foundations or Type III supporting organizations. Applicant organizations must be based in the United States or one of its territories.

**Deadline:** July 27

**Amount:** Four to six grants of up to \$250,000 to accommodate studies of twelve months

**Contact:** <http://www.rwjf.org/en/library/funding-opportunities/2016/optimizing-cost-of-care-conversations-between-clinicians-and-vulnerable-patient.html>

**Grant:** Integrating Cost-of-Care Conversation Resources into Clinical Workflow Programs

**Purpose:** To support studies that investigate cost and value conversations between patients and clinicians that support patients, in collaboration with their care providers, in making healthcare choices based on their needs and preferences. Through the program, RWJF seeks to establish best practices for how tools/resources that support cost-of-care conversations (e.g., cost estimator tools, conversation guides, financial questions) can be better embedded into the clinical workflow and patient/caregiver “life flow.”

**Funder:** Robert Wood Johnson Foundation

**Eligibility:** Preference will be given to applicants that are either public entities or nonprofit organizations that are tax-exempt under Section 501(c)(3) of the Internal Revenue Code and are not private foundations or Type III supporting organizations. Applicant organizations must be based in the United States or one of its territories.

**Deadline:** July 27

**Amount:** Three to five studies of up to \$250,000 for up to 12 months

**Contact:** <http://www.rwjf.org/en/library/funding-opportunities/2016/integrating-cost-of-care-conversation-resources-into-the-clinical-workflow.html>

**Grant:** Environmental, Education and Human Services

**Purpose:** To award both program and operating grants in support of environmental, human services and other causes although interests are fairly diverse

**Funder:** The Lawrence Foundation

**Eligibility:** 501(c)(3) organizations, public schools, libraries

**Deadline:** November 1

**Amount:** Unspecified

**Contact:** <http://www.thelawrencefoundation.org/grants/guidelines.php>

**Grant:** Arts, Community, Education, Environment, Health Care, and Peace

**Purpose:** Recent awards include music lessons for people with disabilities, children’s theater, learning center, writing education, afterschool and summer activities, literacy programs and services for at-risk children and youth

**Funder:** The Dudley T. Dougherty Foundation

**Eligibility:** 501(c)(3) organizations

**Deadline:** November 30

**Amount:** Not specified

**Contact:** [http://dudleytdoughertyfoundation.org/submit\\_grant](http://dudleytdoughertyfoundation.org/submit_grant)

**Grant:** Alcohol Research Projects

**Purpose:** To fund research on the effects of alcohol consumption on health and behavior. The foundation encourages basic and clinical research, including epidemiology. Examples of research topics include factors influencing underage drinking, mechanisms of alcohol-related organ injury, fetal alcohol spectrum disorders, and effects of alcohol on general health.

**Funder:** AMBRF/Foundation for Alcohol Research

**Eligibility:** Grants are made to academic and research institutions in the United States, Canada, and South Africa. Priority will be given to projects led by young investigators, but the foundation does not support students or trainees in pre- or post-doctoral programs.

**Deadline:** February 15, 2017

**Amount:** Up to \$75,000 a year for either one or two years

**Contact:** [http://www.abmrf.org/applying\\_grant](http://www.abmrf.org/applying_grant)

**Grant:** Environmental Infrastructure Programs

**Purpose:** To fund programs that connect and improve the infrastructure systems of urban areas and their surrounding areas in ways that maximize positive impacts and minimize negative environmental, economic, and social consequences. Four main categories of work are supported — Sustainable Transportation

Networks and Equitable Development Patterns, Energy Efficiency in the Built Environment, Urban Water Management, and Regional Food Supply.

**Funder:** Surdna Foundation

**Eligibility:** 501(c)(3); organizations should promote meaningful collaborations and an integrated approach to infrastructure solutions; focus on infrastructure decisions that better meet the needs of historically underserved communities including low-income communities and people of color; promote long-term solutions and leverage strategic infrastructure investments; and/or highlight, especially through communications, the multiple benefits of next generation infrastructure.

**Deadline:** Rolling (Letters of Inquiry)

**Amount:** Requested grant amounts should relate directly to the size of the organization's budget and the amount needed to successfully complete the project.

**Contact:** <http://www.surdna.org/what-we-fund/sustainable-environments.html>
